Dear Sir,

I hope this message finds you well. On behalf of Rotary Club of Nashik North, I extend warm greetings to you.

As a service organization, Rotary Club of Nashik North believes that it is our shared responsibility to take action on the world's most pressing issues. We work together to promote peace, fight disease, provide clean water, sanitation and hygiene, save mothers and children, support education, grow local economies and protect the environment.

We are delighted to inform you that we are working on a project named **"SHIELD"**, aimed at creating a safe and healthy mental environment for young adults. Our vision is to educate, support and protect young adults and create a better everyday life while providing the right direction with the guidance of a team of professionals, including teachers, psychologists, therapists, doctors, parents, lawyers, police and more.

Shield provides young adults with several options to seek help, including email, social media, and website. If young adults encounter any hardships, they can reach out to Shield through any of these channels. The Shield team will carefully listen to their concerns and communicate with them to understand the nature and extent of their challenges. Based on the concerns raised, the team will categorize the questions into different levels and connect the young adults with professionals who can provide guidance and support to address their concerns.

It is a privilege for us to invite you as our **Chief Guest** for the launching of **"SHIELD"** that will take place at **JIT, Nashik** on **19th April 2023, at 11 am**. We believe that your presence will add significant value to our initiative and help us create a greater impact.
